Sh: Namashivaya Swamiji

Sw: Shivani Ji, how are you?

Sh- Good, good.

Sw: My Accountant brought to me this paper work , bunch of paper works. They are getting all the charges from the American express got disputed and my head was spinning I don't what's going on. And American express shut our bank account.

Sh: Okay...

Sw: They shut our privileged charge American express and marked our account as a fraudulent account. So many problems going on and then I called American express they say you-- you disputed the charges. I really don't know what is going on that is why I called you right away.

Sh: Yeah...no...um because send you the checks, so.., I am going to go through the last months that I paid which was I think the 3000 and just send you the balance in the checks that you said

Sw: ---... I am sorry, hold on, now actually the problem is more than that. Now I got...Let me put in easiest way, everything you paid to temple everything has been disputed. Now that's what bunch of papers in front of me. And they said one... two... I got more than 9 retrieval request from American Express. Any way you are not I this business, let me make it very simple to you this business. If this many dispute comes, the American express think that we are doing some kind of fraudulent transactions here they will shut us. They already shut us they send a letter to us also. I saw the letter today morning. I called American express. They said only two options your customer should call us and say that they are not disputing the charges, then we will remove you from the black list. Otherwise, they will not allow our temple in anytime to charge American express. I need to live in this country I cannot take that risk.

Sh: No... No... um...I know. They kept calling me that there was a fraudulent activity on the account with every month was charged, remember I told you that.

Sw: Okay, we do like this—Shivani lets make your time and my time very efficiently. I .., give me the number of American express on the back side of your card. So, we will call them and you can and tell

them everything resolved they will put it on the notes, then other side I will call my thing and everything will be resolved within 5 minutes

Sh: Okay, I am on my way to get Halley from school right now. Ahh, um..let me...

Sw: No problem just give me the phone number. I will put a conference call, you don't worry. I have facility. I will put the call right away...

Sh: Umm, Right now I am driving right now

Sw: You are driving... Okay... I can get the number hold on..., One sec, that's not a big deal I got American express numbers. Do you know your card is a gold card or ....

Sh: I don't, I don't know what it is..

Sw: That's fine, no problem. Have you seen the pictures...sent some pictures.... day before yesterday, we sent the pictures

Sh: No... I didn't get to check yet.

Sw: Oh you didn't check the e-mails? Ok, that's fine, no problem

Sh: No I didn't check yet..the last was done yesterday right?

Sw: Uh Sunday they did it...today is Tuesday.

Sh: Okay let me get home and then we can do this because I am driving right now.

Sw: Okay so do you want me to call your time 4:30 is okay..because when you call me I don't want to get stuck up with any rituals so I'll make myself free if you could tell me the time, I'll call that time...so we'll resolve this, because I am really shaking by seeing this. Because our account has been as a flagged as a fraudulent account—that's going to hurt our organization extremely.

Sh: Okay. I don't understand how...

Sw: Okay let me—how it works- I mean-what it says, the charges which made on your card is..I am reading what they are telling—our mutual customer telling the charge is unauthorized. The charge has been made without her authorization as..now she is disputing as a fraudulent charge, that's what they sent the letters to me so when something has been flagged as fraudulent, that'll be dangerous subject in this country. I don't want to get into those difficulties.

Sh: Yeah, no no. And you know the amount that has been charged I think..with my monthly bills, there's not even enough on that card. That's another concern. Um..that's what my dad...so my dad is preparing that right now. So I don't know should we call

Sw: Ah—a- Shivani ji, I am not worrying about the money, I am worrying about the name of the temple. So let me make it simple again, the American Express has shut our charging privilege for every American credit cards in the whole U.S.

Sh: Okay

Sw: So having said..I mean won't be able to accept any American Express cards here at all period.

Sh: Okay okay

Sw: And only people with American Express card they pay the highest money to my temple..they only pay \$30,000, \$50,000, \$100,000 to temple. And the Visa Mastercard we get very small amount, they pay \$1000, \$500, \$100, small money, that is not going to help the temple anywhere.

Sh: Oh-kay, alright

Sw: So...I need to clear our name with American Express. This is not a question of money—this 10-15,000 not going to change my life.

Sh: No no no I know. When we call them up, then we have to do the withdrawal because I don't know if my dad got the check ready.

Sw: Don't worry, you know..money is not a barrier. We can always take care of the accounts. Something has been overcharged let me know, I'll love to take care. Your like my own family. I love you so much, I'll do anything for you, don't worry.

Sh: Okay. Okay um let me let me get home. Call me back around 5:00.

Sw: No problem dear. I will call you at 5:00. Go leisurely, take your beautiful children. The only request which I need from you is basically I don't want to spoil the Temple name with American Express.

Sh: No, of course not, of course not!

Sw: Because being a Guru I should not be the reason for something. That's not right because...

Sh- Okay, alright.

Sw: You're a sweet girl, you're going to send the check, money's not a barrier, It is between, except you and me other guys has American Express, so they need to remove the flag out of our account.

Sh- Okay. Okay, I understand.

Sw: Thank you dear, I'll call you at 5:00.

Sh: Alright. Ok.

Sw- Namashivaya.

K- Kavitha (Shivani) Jacobson

Sw- Okay I got the information for Mr. Peter Smith—his chart is right in front of me..Barry I'm going to pull the file—

K: Okay

Sw- I know..Mitchell's file should also be ready here. And I got another file for your mom- Ramji Ji, and for your father- totally 5 files. I should take care of it by tonight itself. And so far \$15,000 has been charged, I'll ask her to reconcile that one...and the third one...there is \$7500 is on hold with American Express. So I mean either you need to release it I don't know how you want to deal with it. ...The money ut of \$15,000 the money of \$7500 is still on hold. They charged your account but you didn't pay us.

K: Ok.. Yeah that's what, that's what we need to find out. How many weeks is the pooja again..?

Sw: Yeah, it's a good question. I got every information in front of me. It will be 11 mahayagnas. Maha means big Yagna means ritual. And every ritual is one thousand five hundred and one that is 1501...

K- Uh-huh

Sw- your mom said that's correct... And what they did it actually instead of conducting one every week they did 2 rituals per week. That is why when you see your e-mails bombarded ,you will be bombarded with lot of pictures weekly twice.

K: Ok.

Sw: So even they send pictures yesterday and sent you pictures three days back. And you can see that in e-mail.

K: Okay..

Sw: So they are completing the last rituals this coming Sunday

K: Okay, on Sunday.., Okay

Sw: Coming Sunday will be last ritual. So far they completed 10, the eleventh one will be completed by Sunday around between 4:30 and 6:00 in the mandir here. So that will complete the eleventh. And what I basically instructed basically seeing notes and told

them that we need to expedite the things in the fastest way, so we need give Eric or his family some kind of relief.

K: Ohh..,

Sw: So, what they did they expedited the ritual and some time we do even every day in morning and evening—that's only for the people when they are dying in the hospitals basically Eric is not in that situation.

K: Uh-huh.

Sw: So, that we preponed everything, coming Sunday will be the eleventh one. Again you will be getting another set of pictures coming to you that will complete the Mahayaganas.

K: Ok...

Sw: And, they charge for Mr. Eric chart. But I will tell you the whole, I mean, She is in front of me and statement, I'll ask her to send an e-mail to you in 5-10 minutes you get the statement.

K: Ok

Sw- And now, I mean, technically I know that out of this \$15000 charge \$7500 is not released. That I know that, because American Express holding that money and they are not releasing that. So, let me go through the whole accounting and either you can simply write a check and put it on the temple account Chase bank there. So, what ever you feel comfortable because you are like my own family. I will go to any extent and I love you so much I want you be health and I want you to be happy as I say I am very mean guy I will go to any extent to make you happy.

K: Thank you... Thank you

Re: Selvan Siddhar  
 Ashok Spiritual Healing Center  
 Durga Mandir

Dear Fraud Department:

Selvan Siddhar is a criminal in three states, California, Georgia and Texas operating out of two of his organizations (Ashok Spiritual Healing Center) and (Durga Mandir) in Baytown Texas (7600 Bayway Drive, Baytown TX, 77520). He was arrested and is currently being investigated by the Feds in TX, GA and CA for falsely representing himself of a spiritual doctor preying on good hearted and trusting people. Our family is well off giving charity to hindu foundations yearly to pray for good health and wealth. My husband Eric Jacobson is a prominent medical doctor. We are preyed on by Selvan Siddhar and his foundation like many others. He has forged my name Kavita Jacobson on authorization forms and charged our American Express Card more than was agreed upon. The agreement was for eleven prayers at \$1501.00 per prayer, which is a total \$16,511.00 plus \$1,01.00 reading fee which brings the total amount to \$17,512.00 that which should be the total and only amount charged on the American Express Card. We have paid thus far \$20,512.00 due to the charges on our American Express Card and we are requesting a \$3,000.00 credit that was already paid and stop any further transactions from this merchant. We have provided...

- copies of our American Express bills that were paid
- copies of text messages that was provided by the merchant that proves the total of the agreement
- copy of the forged permission form with my name misspelled, my address written improperly, my phone number wrong and my forged signature
- Certified checks proving our generosity and trust to this fraudulent Selvan Siddhar totaling \$44,351 (which we will be pursuing in a court lawsuit)

We urge to stop this criminal and the organization by resolving this issue, refunding us the \$3,000 that was due and hoping American Express will cease to do business with this organization. Please do not hesitate to contact me if any questions should arise.

Sincerely,

*Kavita Jacobson*

Ms Kavita Jacobson

I have seen a letter where which you have declared me as" **SELVAM SIDDHAR IS A CRIMINAL IN THE STATES , CALIFORNIA, GEORGIA, AND TEXAS.....**"

I have helped your family in an extensive way , and spent days in New York to help you and your husband, and came to Jail to meet with your husband in Jail and I prayed for him and I gave my spiritual consultation to him, for which I have not yet paid still

I would like to place you in notice that, you should withdraw your fraudulent actions with AMEX within another 24 hours , and you need to give me an apology letter for defaming me as a " criminal" in a public platform, failing which I will institute a lawsuit against you, your father, mother and your husband

Also I will call the district attorney in New York and will release all the information about your husband's criminal confessions by you and your husband and I will go as a witness against your husband, and I will make sure that you and your husband will get proper punishments soon by the US judicial system

I intend to contact the DA by this Friday evening, and please understand that I need to release all the confidential information about your and your husband , since now " you" have opened the litigation now with Amex

You have inflicted my emotional distress to the extreme level, and I know how to handle people like you and your husband. You and your husband committed the crime of theft by taking and still needs to owe me more than a million for my services and spiritual help

I am very serious about it, and you need to come to Texas to defend my lawsuit , once I file it

I will make sure you and your husband will reach the place where you need to reach. ( federal prison)

Govern yourself accordingly

Dispute #: X623525

To: American Express Customer Service Department

I, Kavita Jacobson am requesting a refund of \$3,001.00 from Durga Mandir. We had an agreement for this merchant to charge our card for 11 prayers of \$1,501.00 per prayer which totals \$16,511.00 plus \$1,001.00 for the initial consultation at a grand total of \$17,512.00 and not a cent more. This has been paid \$20,523.00 dollars already which is \$3,001.00 more than they should have been. They said they did not get paid, which lead us to send **CERTIFIED CHECKS** totaling over \$30,000.00 dollars because we were lied to. We have sent these copies to American Express Fraud Department. Durga Mandir is a fraud establishment preying on generous people. They have forged our signature to bill an absorbent amount that was not permitted. This organization is being investigated in California, Atlanta, GA, and Texas operating under a many alias's such as Siddar Ranch, Durga Mandir, Shiva Vishnu Temple, Ashoka Healing Center (all of which is bullshit). The advertised address is not even valid but belongs to a non-working Catholic Organization.

We will be pursuing a private lawsuit in court to reclaim our hard earned money. In the meanwhile we ask American Express to return the amount in \$3,001.00 to be returned to us. We are very upset that American Express did not catch on the misspelling of the name, address and security code of the card. We do not wish to continue doing business with this card. This has been a frustrating battle and we have been left alone to prove this merchant wrong. We highly recommend American Express to not do business with Durga Mandir.

Sincerely,

  
Kavita Jacobson
